

Roster, Handicap Index and Course Handicap Report as of November 16, 2020

The SGC index is derived from taking 96% of the average lowest 5 indexes from SGC tournament results. The Course Handicap used for SGC tournaments is calculated using the lower of a player's NCGA index or SGC index. Players with no index (NH) shall play to a zero handicap in club events or a handicap determined by the tournament directors and/or club handicapper.
