Questions? Email TC.SILVER.LAKE.ASSOCIATION@GMAIL.COM

The purpose of SLIA is to improve and preserve Silver Lake, by cooperating with established state and local law enforcement agencies to enforce rules of law and ethics whereby the interest of boat operators, fishermen, and bathers may be protected; to work and cooperate with the Michigan Department of Natural Resources and other related agencies to establish a normal high water lake level; to maintain, improve and protect the water quality and environment, the fishing, and wildlife. To strive to achieve these ends by educating the residents and general population through the efforts of the organization.

Why should I join SLIA? What are the benefits? How are my dues spent?

- Manage invasive species such as Eurasian Water Milfoil
- Monitor water quality
- Liaise with Silver Lake Drain Commissioner regarding water level, drain and DNR Fisheries
- Inform boaters of safety rules, and protection of wildlife. Publish water safety brochure
- Build SLIA Community through social activities such as Nancy Knight KidsFishing Tournament, Giant Beach Ball and Regatta on Fourth of July
- Adopt a Road clean up activities
- Communicate and educate property owners and friends through website and newsletters
- Maintain SLIA website that features calendar of events, environmental information and other information about our lake in general
- Email members to inform of issues affecting the lake, such as treatment dates for invasive species, safety issues, lost & found and more
- NEW: SLIA Membership Database where you can update your personal information and pay annual dues online!!

Fill out the membership form on the other side, bring to our annual meeting or mail to the address on the form OR log into SilverLakeTC.Org, create an account and join our association! You can make your annual payment online!
