Format and Prizes: May 17 handicaps for individual courses will be used. Maximum handicap is 36. Players with higher handicaps will play to a 36 handicap. The event will be flighted into up to three or four flights. For the first two days of play, daily prizes will be awarded for low net and low gross per flight. At the end of the three games, the best score on holes 1 through 18 (regardless of course) will be used to determine winners and prizes will be awarded for one low gross and two low net places in each flight plus low gross over the field. Ties will be broken using USGA rules (back nine, last 6 holes, last 3 holes, hole #18, etc.).

If a player chooses not to complete a round, whatever holes she has played will be used for scoring.

Plumas Pines snack bar will be open for players interested in purchasing lunch after the final play day of golf.
