

POWER PARTNERS

Thank you for considering becoming a Power Partner. A strategic partnership with our chapter offers numerous benefits. Here's what other Power Partners and members are saying:

"If you are serious about Commercial Real Estate in Oregon/SW Washington, CCIM is the place to be. As a longtime Power Partner, I have always enjoyed the monthly Marketing Sessions to learn what properties sold, and what challenges the broker faced in closing the deal. It's also interesting to hear what's for sale and the valuable insight and creativity in the room to ensure the closing happens! And of course, I enjoyed working with members to assist their clients with SBA loans."

- Jessica Beck, Wells Fargo

"Most real estate transactions involve documents, brokers, escrow, a lender, an appraiser, insurance, land-use, due diligence, contractors, asset or property management...and the list goes on. This room is full of those great contacts!"

- David Moore, Equity Advantage

The CCIM Power Partner program is a terrific opportunity to showcase your company's unique product and/or service, targeted directly at commercial and investment real estate industry professionals from around Oregon and SW Washington.

2025 POWER PARTNERS

MEMBERS

The chapter has approximately 120 members. Members are:

- CCIM Designees
- Candidates

- Affiliates

EVENTS/PROGRAMS

In 2026, we will continue to provide a mix of events and programs including:

- Member-only Dealmaking events, where brokers present their listings, have/wants, need, recent sales recaps.
- Educational Luncheons with timely topics and knowledgeable speakers.
- Informal Meetups
- Social Events
- Education (CCIM Curriculum)

WHAT IS A CCIM?

A Certified Commercial Investment Member (CCIM) is an acknowledged expert in the commercial and investment real estate industry.

The CCIM designation is earned after successfully completing a series of graduate level classes, submission and approval of a portfolio of closed high-dollar transactions, letters of recommendation, and by passing a comprehensive exam.

Worldwide, only 15,000 commercial real estate professionals (approximately 6%) have earned the CCIM designation.

Skills sets include: Ethics, Financial/Investment Analysis, Market Analysis, User Decision Analysis, Interest-Based Negotiations for Commercial Investment Real Estate.

CCIM is part of a global commercial real estate network with members across North America and more than 30 countries. This professional network has enabled CCIM members to close more than \$200 billion in transactions.
